CONSENT ORDER

The Louisiana Professional Engineering and Land Surveying Board [hereinafter the "Board"], by and through its Executive Director, pursuant to authorization by the Board, and Robert D. Lee Consulting Engineers, Inc. [hereinafter "Respondent"], by and through its duly authorized undersigned representative, hereby agree to the following:

At all times material hereto, Respondent was licensed in the State of Louisiana as a professional engineering firm, number EF – 2096.

An investigation was opened based upon the Board's receipt of an affidavit of complaint which suggested that Respondent may have committed various violations in connection with its practice of engineering in Louisiana. The investigation disclosed that since at least 2011 Respondent has maintained a website which (a) falsely advertised that two individuals (both professional engineers) were associated with the firm as "Key Personnel" despite the fact that they had no association with Respondent and have never worked for or with Respondent and (b) stated that Respondent had offices in Baton Rouge, Louisiana.

La. R.S. 37:698(A)(2) prohibits fraud, deceit, material misstatement and gross misconduct in the practice of engineering in Louisiana. La. R.S. 37:698(A)(11) prohibits the use of any advertising or solicitation which is false or misleading. La. R.S. 37:698(H) permits the Board to take disciplinary action against persons who violate La. R.S. 37:698(A)(2) and (11) upon a finding of guilt following the preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:698(A)(2) and (11) and La. R.S. 37:698(H) were in effect at all times material hereto.

It is undisputed that Respondent maintained a website which falsely advertised that two professional engineers were associated with Respondent despite the fact that they had no association with Respondent and have never worked for or with Respondent.

By letter dated August 22, 2012, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that it may have violated **(a)** La. R.S. 37:698(A)(2), relative to fraud, deceit, material misstatement and gross misconduct in the practice of engineering in Louisiana; and **(b)** La. R.S. 37:698(A)(11), relative to the use of any advertising or solicitation which is false or misleading.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of its own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of two thousand five hundred (\$2,500.00) dollars; **(b)** pay administrative costs of four-hundred eighty-eight and 78/100 (\$488.78) dollars; **(c)** have its supervising professional successfully complete the Board's online Louisiana Laws and Rules Quiz, **(d)** have its supervising professional successfully complete the Board's online Louisiana Professionalism and Ethics Quiz, **(e)** appear before a complaint review committee of the Board on a date, time and place of the committee's choosing to discuss the particulars of the violations referenced in this Consent Order; **(f)** immediately cease and desist committing any of the violations referenced in this Consent Order; and **(g)** the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the Louisiana Engineer and Surveyor Journal, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits to violations of the referenced laws and/or rules regarding the practice of engineering in Louisiana. Respondent acknowledges awareness of said laws and/or rules and states that it will comply with all applicable laws and rules henceforth. Respondent has been advised of its right to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and to present witnesses and evidence in its own behalf, and it hereby waives this right and its right to appeal; and it states affirmatively that it has been

afforded all administrative remedies due it under the law. Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive its right to a hearing before the Board, to the presenting of evidence and witnesses in its behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents **(a)** that it fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, **(b)** that it has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with it by any person whatsoever to cause the execution of this instrument and **(c)** that the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:

1. Respondent shall pay a fine of two thousand five hundred (\$2,500.00) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and
2. Respondent shall pay administrative costs of four-hundred eighty-eight and 78/100 (\$488.78) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and
3. Respondent shall have its supervising professional successfully complete the Board's online Louisiana Laws and Rules Quiz with a score of 90% or higher and return it to the Board within sixty (60) days of the effective date of this Consent Order; and
4. Respondent shall have its supervising professional successfully complete the Board's online Louisiana Professionalism and Ethics Quiz with a score of 90% or higher and return it to the Board within sixty (60) days of the effective date of this Consent Order; and

5. Respondent shall, within sixty (60) days of the effective date of this Consent Order, appear before a complaint review committee of the Board on a date, time and place of the committee's choosing to discuss the particulars of the violations referenced in this Consent Order; and

6. Respondent shall immediately cease and desist committing any of the violations referenced in this Consent Order; and

7. This Consent Order shall be published on the Board's website and a summary of this matter shall be printed in the official journal of the Board, the Louisiana Engineer and Surveyor Journal, and reported to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name; and

8. This Consent Order shall not become effective unless and until it is accepted by and on behalf of the Board. Should the Board not accept and sign this Consent Order, it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys or representatives from further participation, consideration or resolution of any further proceedings herein.
