CONSENT ORDER

The Louisiana Professional Engineering and Land Surveying Board [hereinafter the “Board”], by and through its Executive Director, pursuant to authorization by the Board, and Elmer Jones, P.E. [hereinafter “Respondent”], hereby agree to the following:

At all times material hereto, Respondent was licensed in the State of Louisiana as a professional engineer, number PE – 17246. At all times material hereto, Respondent was not licensed in the State of Louisiana as a professional land surveyor and, therefore, was not authorized to practice and/or offer to practice land surveying in the State of Louisiana.

An investigation was opened based upon the Board’s receipt of an affidavit of complaint which alleged that Respondent had engaged in the unlicensed practice of and/or offering to practice land surveying in Louisiana. The investigation disclosed that between June 2008 and February 2012 Respondent provided land surveying services (which included locating property boundary corners) on at least fifty-nine (59) projects in Louisiana, including a project in August 2008 in which Respondent prepared, sealed with his Louisiana professional engineer seal, signed and issued to his client a survey plat of Lots 1-7 of Victory Place Subdivision in East Baton Rouge Parish, Louisiana.

La. R.S. 37:681 and 37:700(A)(1) prohibit the practicing of and/or offering to practice land surveying in Louisiana without proper licensure. La. R.S. 37:700(H) permits the Board to take enforcement action against persons who violate La. R.S. 37:681 and 37:700(A)(1), upon a finding of guilt following the preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:681, La. R.S. 37:700(A)(1) and La. R.S. 37:700(H) were in effect at all times material hereto.

It is undisputed that at all times material hereto Respondent was not licensed to practice and/or offer to practice land surveying in Louisiana and that between 2008 and 2012 Respondent practiced and/or offered to practice land surveying in Louisiana without proper licensure.

By letter dated March 20, 2013, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that he may have violated La. R.S. 37:681 and 37:700(A)(1), relative to practicing and/or offering to practice land surveying in Louisiana without proper licensure.

Wishing to dispense with the need for further enforcement action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to (a) pay a fine of four thousand (\$4,000.00) dollars, (b) pay administrative costs of nine hundred fifty-six and 95/100 (\$956.95) dollars, (c) pay to Nasser Ibrahim the amount of one thousand (\$1,000.00) dollars as reimbursement of his costs to obtain a correct survey plat of Lots 1-7 of Victory Place Subdivision in East Baton Rouge Parish, Louisiana and then provide to the Board satisfactory evidence of the payment, (d) successfully complete the Board's online Louisiana Laws and Rules Quiz, (e) successfully complete the Board's online Louisiana Professionalism and Ethics Quiz, (f) immediately cease and desist the preparation, sealing (with his Louisiana professional engineer seal), signing and issuance of survey plats, the location of property boundary corners or otherwise the practicing of and/or offering to practice land surveying in Louisiana until such time as he is duly licensed by the Board and (g) the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the Louisiana Engineer and Surveyor Journal, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits to violations of the referenced laws and/or rules regarding the practicing of and/or offering to practice land surveying in Louisiana without proper licensure. Respondent acknowledges awareness of said laws and/or rules and states that he will comply with all applicable laws and rules henceforth. Respondent has been advised of his right to appeal; and he states affirmatively that he has been afforded all administrative remedies due it under the law.

Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive his right to a hearing before the Board, to the presenting of evidence and witnesses on its behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents (a) that he fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, (b) that he has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with him by any person whatsoever to cause the execution of this instrument and (c) that the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:

1. Respondent shall pay a fine of four thousand (\$4,000.00) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and
2. Respondent shall pay administrative costs of nine hundred fifty-six and 95/100 (\$956.95) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and
3. Respondent shall pay to Nasser Ibrahim the amount of one thousand (\$1,000.00) dollars as reimbursement of his costs to obtain a correct survey plat of Lots 1-7 of Victory Place Subdivision in East Baton Rouge Parish, Louisiana, which shall be tendered to Mr. Ibrahim by certified check payable to Mr. Ibrahim, and then provide to the Board satisfactory evidence of the payment within sixty (60) days of the effective date of this Consent Order; and
4. Respondent shall successfully complete the Board's online Louisiana Laws and Rules Quiz with a score of 90% or higher and return it to the Board within sixty (60) days of the effective date of this Consent Order; and

5. Respondent shall successfully complete the Board's online Louisiana Professionalism and Ethics Quiz with a score of 90% or higher and return it to the Board within sixty (60) days of the effective date of this Consent Order; and

6. Respondent shall immediately cease and desist the preparation, sealing (with his Louisiana professional engineer seal), signing and issuance of survey plats, the location of property boundary corners or otherwise the practicing of and/or offering to practice land surveying in Louisiana until such time he is duly licensed by the Board; and

7. This Consent Order shall be published on the Board's website and a summary of this matter shall be printed in the official journal of the Board, the Louisiana Engineer and Surveyor Journal, and reported to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name; and

8. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board. Should the Board not accept and sign this Consent Order, it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys or representatives from further participation, consideration, or resolution of any further proceedings herein.
