CONSENT ORDER

The Louisiana Professional Engineering and Land Surveying Board [hereinafter the “Board”], by and through its Executive Director, pursuant to authorization by the Board, and Sergio LeGuizamon, P.E. [hereinafter “Respondent”] hereby agree to the following:

At all times material hereto, Respondent was a licensed in the State of Louisiana as a professional engineer, number PE-28051. At all times material hereto, Respondent’s firm, Browder + LeGuizamon and Associates, Inc. [hereinafter “BLA”], was not licensed as a professional engineering firm. BLA became licensed in Louisiana as a professional engineering firm, number EF-6035 on August 2, 2016.

An investigation was opened based upon the Board’s receipt of BLA’s application for licensure as a professional engineering firm in Louisiana wherein Respondent indicated that his firm had engaged in the unlicensed practice of and/or offered to practice engineering in Louisiana. The investigation disclosed that between January 20, 2014 and August 2, 2016 Respondent had aided and assisted his firm in the practice of and/or offer to practice of engineering in the State of Louisiana without proper licensure on four (4) projects.

La. R.S. 37:681 and La. R.S. 37:700(A)(1) and (9), *to wit* LAC Title 46:LXI§2301(B), collectively prohibit the practice of and/or offer to practice engineering without proper licensure. La. R.S. 37:698(A)(12) prohibits licensees from aiding and assisting any person in violating the laws and rules of the Board. La. R.S. 37:698(H) permits the Board to take disciplinary action against persons who violate La. R.S. 37:698(A)(12), upon a finding of guilt following the preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:681, La. R.S. 37:698(A)(12), La. R.S. 37:698(A)(1)

and (9), La. R.S. 37:700(H) and LAC Title 46:LXI§2301(B) were in effect at all times material hereto.

It is undisputed that **(a)** at all times material hereto, Respondent was an owner, president, and member of BLA, **(b)** BLA was not licensed as a professional engineering firm in State of Louisiana, **(c)** between January 20, 2014 and August 2, 2016 Respondent aided and assisted his firm in the unlicensed practice of engineering on four (4) projects in Louisiana.

By letter dated August 21, 2018, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that Respondent may have violated La. R.S. 37:698(A)(12), relative to aiding and assisting his firm in the unlicensed practice of engineering in Louisiana.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of Five Hundred and No/100 (\$500.00) Dollars, **(b)** pay administrative costs of One Hundred Eighty-Five and 84/100 (\$185.84) Dollars, **(c)** successfully complete the Board's online Louisiana Laws and Rules Quiz, **(d)** successfully complete the Board's online Louisiana Professionalism and Ethics Quiz, and **(e)** the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the *Louisiana Engineer and Surveyor Journal*, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits that his conduct as set forth above constitutes violations of the above referenced laws and/or rules as stated herein. Respondent acknowledges awareness of said laws and/or rules and states that he will comply with all applicable laws and rules henceforth.

Respondent has been advised of his right to an informal conference, to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in his own behalf, he hereby waives this right and his right to appeal, and he states affirmatively that he has been afforded all administrative remedies due him under the law.

Respondent further acknowledges awareness of the fact that the signed original of this Consent

Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive his right to an informal conference, to a hearing before the Board, to the presenting of evidence and witnesses on his behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents that **(a)** he fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, **(b)** he has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with it by any person whatsoever to cause the execution of this instrument and **(c)** the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:

Surveyor Journal, and reported to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name; and

6. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board.
