At all times material hereto, Respondent was a licensed in the State of Louisiana as a professional engineer, number PE-44015. At all times material hereto, Respondent’s firm, King Engineering Consultants, PLLC [hereinafter the “firm”], was not licensed as a professional engineering firm.

An investigation was opened based upon the Board’s receipt information and/or documents which suggested Respondent had committed violation(s) of the Board’s laws and rules. The investigation disclosed between January 2020 to June 2021 Respondent aided and assisted the unlicensed engineering firm in practicing and/or offering to practice engineering in Louisiana on fifteen (15) projects without proper licensure, and the use of the word “Engineering” in the firm name while doing business in Louisiana and not licensed as an engineering firm in Louisiana.

La. R.S. 37:698(A)(12), prohibits licensees from aiding and assisting another person in violating the laws and/or rules of the Board. La. R.S. 37:681 and La. R.S. 37:700(A)(1), (7) and (9), *to wit* LAC Title 46:LXI§2301(B), collectively prohibit the practice of and/or offer to practice engineering in Louisiana without proper licensure and use of the words “engineer”, “engineering”, or any modifications or derivatives thereof in one’s name or form of business in Louisiana without proper licensure. La. R.S. 37:698(H) permits the Board to take disciplinary action against persons who violate La. R.S. 37:698(A)(12), upon a finding of guilt following the

preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:681, La. R.S. 37:698(A)(12), La. R.S. 37:698(A)(1), (7) and (9), La. R.S. 37:698(H) and LAC Title 46:LXI§2301(B) were in effect at all times material hereto.

By letter dated June 14, 2023, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that Respondent may have violated La. Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of Five Hundred and No/100 (\$500.00) Dollars, **(b)** pay administrative costs of Four Hundred Thirty-One and 16/100 (\$431.16) Dollars, **(c)** successfully complete the Board's online Louisiana Laws and Rules Quiz with a score of 90% or higher, **(d)** successfully complete the Board's online Louisiana Professionalism and Ethics Quiz with a score of 90% or higher, and **(e)** the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the *Louisiana Engineer and Surveyor Journal*, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits that his conduct as set forth above constitutes violations of the above referenced laws and/or rules as stated herein. Respondent acknowledges awareness of said laws

and/or rules and states that he will comply with all applicable laws and rules henceforth.

Respondent has been advised of his right to an informal conference, to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in his own behalf. Respondent hereby waives these rights, including his right to informal conference, to the preferral of charges, to a hearing before the Board, and his right to appeal, and he states affirmatively that he has been afforded all administrative remedies due him under the law.
