CONSENT ORDER

The Louisiana Professional Engineering and Land Surveying Board [hereinafter the “Board”], by and through its Executive Director, pursuant to authorization by the Board, and Barrett C. Crook, P.E. [hereinafter “Respondent”] hereby agree to the following:

At all times material hereto, Respondent was licensed in the State of Louisiana as a professional engineer, number PE-32734.

An investigation was opened based upon the Board’s receipt of information and/or documents which suggested that Respondent may have committed violations of the Board’s laws and/or rules. The investigation disclosed that in 2018 Respondent designed buildings and/or building systems in connection with at least one (1) project in Louisiana.

On or about February 9, 2019, Respondent submitted to the Board his 2019 Louisiana professional engineer license renewal online, confirming thereon that (a) he did not design buildings or building systems in Louisiana, (b) all information provided in his online renewal was true and correct to the best of his knowledge, information and belief and (c) an omission or untrue response may constitute fraud, deceit, material misstatement, perjury or the giving of false or forged evidence under the Board’s licensure law.

The investigation also disclosed that between March 2019 and January 2021 Respondent designed buildings and/or building systems in connection with at least three (3) projects in Louisiana.

On or about February 2, 2021, Respondent submitted to the Board his 2021 Louisiana professional engineer license renewal online, confirming thereon that (a) he had not designed buildings or building systems in Louisiana since his previous license renewal in February, 2019,

(b) all information provided in his online renewal was true and correct to the best of his knowledge, information and belief and (c) an omission or untrue response may constitute fraud, deceit, material misstatement, perjury or the giving of false or forged evidence under the Board's licensure law.

La. R.S. 37:698(A)(1) prohibits licensees from committing any fraud, deceit, material misstatement or perjury, or the giving of any false or forged evidence, in applying for a renewal license with the Board. La. R.S. 37:698(H) permits the Board to take disciplinary action against persons who violate La. R.S. 37:698(A)(1), upon a finding of guilt following the preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:698(A)(1) and La. R.S. 37:698(H) were in effect at all times material hereto.

It is undisputed that (a) at all times material hereto Respondent was licensed in Louisiana as a professional engineer, (b) in 2018 Respondent designed buildings and/or building systems in Louisiana, (c) on or about February 9, 2019 Respondent falsely stated on his 2019 Louisiana professional engineer license renewal that he did not design buildings or building systems in Louisiana, (d) between March 2019 and January 2021 Respondent designed buildings and/or building systems in Louisiana and (e) on or about February 2, 2021 Respondent falsely stated on his 2021 Louisiana professional engineer license renewal that he had not designed buildings or building systems in Louisiana since his previous license renewal in February, 2019.

By letter dated May 17, 2023 the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that Respondent may have violated La. R.S. 37:698(A)(1), relative to fraud, deceit, material misstatement or perjury, or the giving of any false or forged evidence, in applying for a renewal license with the Board.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to (a) pay a fine of One Thousand and No/100 (\$1,000.00) Dollars, (b) pay administrative costs of Six Hundred Seventy Eight and 75/100 (\$678.75) Dollars, (c) successfully complete the Board's online Louisiana Laws and Rules Quiz, (d) successfully complete the Board's online

Respondent admits that his conduct as set forth above constitutes violations of the above referenced laws and/or rules as stated herein. Respondent acknowledges awareness of said laws and/or rules and states that he will comply with all applicable laws and rules henceforth.

Respondent has been advised of his right to an informal conference, to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in his own behalf, he hereby waives this right and his right to appeal, and he states affirmatively that he has been afforded all administrative remedies due him under the law.

Respondent hereby represents that **(a)** he fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, **(b)** he has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with him by any person whatsoever to cause the execution of this instrument and **(c)** the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:
