CONSENT ORDER

The Louisiana Professional Engineering and Land Surveying Board [hereinafter the “Board”], by and through its Executive Director, pursuant to authorization by the Board, and DSC Engineering, Inc. [hereinafter “Respondent”], by and through its duly authorized undersigned representative, hereby agree to the following:

At all times material hereto, Respondent was not licensed in the State of Louisiana as a professional engineering firm and, therefore, was not authorized to practice and/or offer to practice engineering in the State of Louisiana.

An investigation was opened based upon the Board’s receipt of information and/or documents which suggested that Respondent may have committed violations of the Board’s laws and/or rules. The investigation disclosed that since at least 2022 Respondent has admittedly offered to provide engineering services in Louisiana and provided engineering services on one (1) project in Louisiana.

La. R.S. 37:681 and La. R.S. 37:700(A)(1), (7) and (9), *to wit* LAC Title 46:LXI§2301(B), prohibit practicing and/or offering to practice engineering and using the words “engineer”, “engineering” or any modification or derivative thereof in a person’s name or form of business or activity without proper licensure. La. R.S. 37:700(H) permits the Board to take enforcement action against persons who violate La. R.S. 37:681 and La. R.S. 37:700(A)(1), (7) and (9), *to wit* LAC Title 46:LXI§2301(B), upon a finding of guilt following the preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:681, La. R.S. 37:700(A)(1), (7) and (9), La. R.S. 37:700(H) and LAC Title 46:LXI§2301(B) were in effect at all times material hereto.

It is undisputed that (a) Respondent has never been licensed in Louisiana as a professional engineering firm and, therefore, has never been authorized to practice and/or offer to practice engineering in Louisiana and (b) since at least 2022 Respondent has admittedly practiced and offered to practice engineering and used the word "engineering" in its name and in describing its business activities in Louisiana without proper licensure.

By letter dated February 14, 2024 the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that Respondent may have violated La. R.S. 37:681 and La. R.S. 37:700(A)(1), (7) and (9), *to wit* LAC Title 46:LXI§2301(B), relative to practicing and/or offering to practice engineering and using the words "engineer", "engineering" or any modification or derivative thereof in a person's name or form of business or activity without proper licensure.

Wishing to dispense with the need for further enforcement action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of its own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to (a) pay a fine of One Thousand Five Hundred and No/100 (\$1,500.00) Dollars, (b) pay administrative costs of Nine Hundred One and 48/100 (\$901.48) Dollars, (c) immediately cease and desist practicing and offering to practice engineering and using the words "engineer", "engineering" or modifications or derivatives thereof in its name or in describing its business or services in Louisiana until such time as it is duly licensed by the Board and (d) the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the *Louisiana Engineer and Surveyor Journal*, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits that its conduct as set forth above constitutes violations of the above referenced laws and/or rules as stated herein. Respondent acknowledges awareness of said laws and/or rules and states that it will comply with all applicable laws and rules henceforth.

Respondent has been advised of its right to informal conference, to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in its own behalf, it hereby waives this right and its right to appeal, and it states

affirmatively that it has been afforded all administrative remedies due it under the law.

Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive its right to an informal conference, to a hearing before the Board, to the presenting of evidence and witnesses on its behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents that **(a)** it fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, **(b)** it has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with it by any person whatsoever to cause the execution of this instrument and **(c)** the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:

1. Respondent shall pay a fine of One Thousand Five Hundred and No/100 (\$1,500.00) Dollars, which shall be tendered to the Board by certified checks payable to the Board in five (5) installments as follows:
 - a. An initial payment of Five Hundred and No/100 (\$500.00) Dollars shall be due upon the signing of this Consent Order; and

2. Respondent shall pay administrative costs of Nine Hundred One and 48/100 (\$901.48) Dollars, which shall be tendered to the Board by certified checks payable to the Board in four (4) installments as follows:

a. Three (3) installments of Two Hundred Fifty and No/100 (\$250.00) Dollars each, beginning thirty (30) days after the final installment of the fine is due under paragraph 1 above and every thirty (30) days thereafter until paid in full; and

b. One (1) installment of One Hundred Fifty-One and 48/100 (\$151.48) Dollars, which shall be due one hundred twenty (120) days after the final installment of the fine is due under paragraph 1 above; and

3. Respondent shall immediately cease and desist practicing and offering to practice engineering and using the words "engineer", "engineering" or modifications or derivatives thereof in its name or in describing its business or services in Louisiana until such time as it is duly licensed by the Board; and

4. This Consent Order shall be published on the Board's website and a summary of this matter shall be printed in the official journal of the Board, the *Louisiana Engineer and Surveyor Journal*, and reported to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name; and

5. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board. Should the Board not accept and sign this Consent Order, it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys or representatives from further participation, consideration, or resolution of any further proceedings herein.
