

# FAREWELL FROM THE CHAIRMAN

C.L. Jack Stelly, P.L.S.

C.L. Jack Stelly, P.L.S.  
Chairman

**H**ope all of you have had merry and joyous holiday season and I wish all of you a prosperous New Year. It is unbelievable how quickly a year goes by.

This being my last year on the Board and my last journal article, I would like to thank the staff and all past and present Board members that I have served with for their help and support. The last six years serving on this Board has been a great experience and an honor. I would advise anyone who is given the opportunity to serve, to do so. Yes, it involves a little time and sacrifice, but I can assure you, the experience is worth it. Our professions depend on us as registrants, to uphold the professionalism, integrity and ethics of our professions.

The responsibility of the board is to safeguard life, health, and property and to promote the public welfare, of any individual in either public or private capacity, foreign or domestic firm,

Timothy J. Allen, P.L.S.  
Incoming Board Chairman

practicing or offering to practice professional engineering or professional land surveying in the State of Louisiana. The past 6 years I have served on this Board, that responsibility has been met. Thanks to the hard work of our staff, legal counsel and all past and present Board members.

I will close this chapter of my life with a sense of accomplishment and knowing that with this staff and board, we are in good hands.

## Board Members

C.L. Jack Stelly, P.L.S.  
*Chairman*

Timothy J. Allen, P.L.S.  
*Vice Chairman*

Mark A. Jusselin, P.E.  
*Secretary*

James D. Garber, Ph.D., P.E.  
*Treasurer*

Rhaoul A. Guillaume, P.E.  
Roger D. Danzy, P.E.  
Ali M. Mustapha, P.E.  
Norma Jean Mattei, Ph.D., P.E.  
Richard L. Savoie, P.E.  
James E. Bowie, Jr., Ph.D., P.E.  
Miles B. Williams, P.E.

## Board Staff

Donna D. Sentell  
*Executive Secretary*

Robert Eddleman  
*Director of Enforcement*

Heidi G. Watts  
*Executive Assistant*

## MARK YOUR CALENDAR

### LAPELS Board Meeting Dates

March 23 – 24, 2009  
May 13 (New Orleans), 2009  
July 20 – 21, 2009  
September 21- 22, 2009  
November 16 - 17, 2009

### EXAMINATION DATES

October 23 – 24, 2009  
April 16 – 17, 2010  
October 29 – 30, 2010

### APPLICATION DEADLINES (FOR FIRST TIME APPLICANTS)

June 1, 2009  
for October 2009 exam

December 1, 2009  
for April 2010 exam

*\*Note – If your application is 3 years or older or if you have been unsuccessful in passing the exam 3 or more times, other requirements must be met.*

LAPELS LA PROFESSIONAL ENGINEERING AND LAND SURVEYING BOARD

# FROM THE EXECUTIVE SECRETARY

**Donna D. Sentell**, Executive Secretary

As the LAPELS board continues to safeguard life, health, and property and to promote the public welfare, we are seeing many changes in Enforcement for 2009.

Recently, the board decided to modify the website to include access to adjudicated disciplinary matters. This link will allow other licensing boards, as well as the public, to view the consent orders signed by registrants of the board. This practice is widely used among other licensing boards across the country and will provide another opportunity for the board in their charge to protect the public.

Spring renewals have been mailed and you will notice changes in the formatting of the invoice. All registrants renewing will have to answer a series of questions concerning their license status, the fulfillment of CPD requirements, and whether they have been disciplined in another jurisdiction since their last renewal. The invoice must be returned with

your check and incomplete invoices will be sent back to the registrant. This information is necessary in assisting the enforcement staff to maintain accurate records of all licensees'.

The biggest change we will see this year in our office is the retirement of long time employee, Robert Eddleman. Robert has provided a wealth of knowledge, experience and dedication to the LAPELS board and staff for more than ten years. He is currently helping with the training of our newest enforcement officer and his guidance has produced a strong and committed enforcement staff. I encourage you to send your good wishes to Robert.

**Donna D. Sentell**  
*Executive Secretary*

# GOODBYE AND THANK YOU

**Robert Eddleman**, Director of Enforcement

After careful thought and research I have decided that it is time for me to retire.

I have had the honor and privilege to serve the Board for over 11 years. My first duties were as the Board's part time investigator. Later, after the Board's enforcement activities and personnel were expanded, I accepted the position as the Board's first full time investigator under the Director of Enforcement. Through the years I achieved the position of Director of Enforcement then promoted to the Board's Deputy Executive Secretary, a position that I have maintained for the last two years.

I extend my sincere appreciation to each of you who have been understanding, helpful, patient and most of all cooperative in the Board's efforts to achieve and maintain a meaningful enforcement program. The most rewarding part of my tenure with the Board has been all the wonderful people I have come to know and like.

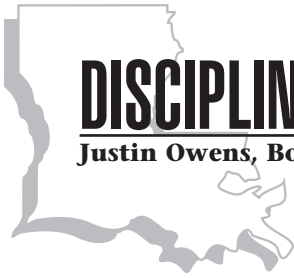

In saying "goodbye" I also must especially thank Ben Harrison, the man who gave me the part time investigator position and later convinced me to accept the full time in-

vestigator's position. After his retirement the Board has been able to enhance the Enforcement program started by him and now has two full time investigators. The enforcement program will continue to be successful if you the licensee's continue to support the Board's enforcement efforts.

Also, I need to thank all of the Board members that I have had the privilege of serving under and the staff members of LAPELS. Some have come and gone, but each has been an integral part of this Board's efforts to serve the public.

**Robert Eddleman**  
*Director of Enforcement*

# DISCIPLINARY AND ENFORCEMENT ACTIONS

Justin Owens, Board Investigator

Justin Owens

The Board continues to investigate alleged violations of statutes and rules which regulate the professional practice of engineering and land surveying in Louisiana. Substantiated violations result in disciplinary or enforcement action being taken either through Consent Orders or by Board Orders following a formal hearing at which the respondent is adjudged guilty of one or more violations. Below are summaries of some of the disciplinary/enforcement actions taken by the Board since the last issue of the Journal:

## PRACTICING ON AN EXPIRED LICENSE

**Technip USA, Inc.** of Texas, a licensed engineering firm, was subject to disciplinary action by the Board for practicing engineering in Louisiana during the time its Louisiana engineer license was expired in violation of La. R.S. 37:698(A)(9) and (16). Respondent firm's license to practice engineering in Louisiana was in "Expired" status from April 1, 2007 through January 29, 2008 and during that time practiced and/or offered to practice engineering in Louisiana. Respondent firm has entered into a Consent Order with the Board, wherein it admitted to violations of the above statutes and agreed to pay a fine of \$500, to pay administrative costs of \$257.21, to submit to the Board documentation from the Louisiana Secretary of State that it is in good standing in Louisiana, have its Supervising Professional successfully complete the Board's online Louisiana Laws and Rules Examination, and to the printing of a summary of this matter by name in this publication.

## DISCIPLINARY ACTION BY ANOTHER STATE

**Donald E. Flynn, P.E.**, a licensed engineer who resides in Florida, was subject to disciplinary action by the Board for having been disciplined by the licensing authority of another state for matters recognized as grounds for disciplinary action in Louisiana at the time the action was taken in violation of La. R.S. 37:698(A)(7). Mr. Flynn was disciplined by the Florida Board for (a) engaging in negligence in the practice of engineering and (b) sealing and signing final engineering drawings which had not been prepared by him or under his responsible charge. In a Settlement Stipulation approved on December 12, 2006 in connection with Case No. 2004012640,

the Florida Board (a) assessed Mr. Flynn with an administrative fine of \$2,000.00 and costs of \$273.00, (b) ordered Mr.

Flynn to appear before the Florida Board and explain his understanding of the Florida Board's rules relevant to plan stamping and the responsibility rules for design of fire protections systems, (c) ordered that Mr. Flynn's license to practice engineering be reprimanded, and (d) place Mr. Flynn on probation for a period of two years, including the requirement that he periodically submit to the Florida Board for review certain of his fire protection system design projects and that he successfully complete a Florida Board-approved course in engineering professionalism and ethics and the Florida Board's study guide. The investigation also disclosed that the Oklahoma Board had taken disciplinary action against Mr. Flynn based upon the action taken by the Florida Board. In a Consent Order dated November 9, 2007 in connection with Case No. 2007-72, the Oklahoma Board suspended Mr. Flynn's Oklahoma professional engineer license until such time as he has completed all terms of the Final Order issued by the Florida Board and provides proof to the Oklahoma Board of such compliance. Mr. Flynn has entered into a Consent Order with the Board, wherein he admitted to violations of the above statutes and agreed to (a) pay administrative costs of \$353.80, (b) to have his Louisiana P.E. license suspended until such time as he has fully complied with all of the terms and conditions of the Settlement Stipulation approved by the Florida Board on December 12, 2006 in connection with Case No. 2004012640, including completion of the two year probation ordered by the Florida Board and provides proof to the Board of such compliance, and (c) to the printing of a summary of this matter by name in this publication.

# NEW REGISTRANTS

Licensed/Certified for the Period of October 9, 2008 thru January 14, 2009

## Professional Engineers

Louisiana engineering deans joined the LAPELS board at the January Board meeting. Left to Right: Interim Dean Constant, P.E., LSU; Dean Trahan, UNO; Dean Napper, LA Tech; Dean Altiero, Tulane; Dean Zappi, ULL; Dean Kirtisis, McNeese; Jack Stelly, P.L.S., Board Chairman; Tim Allen, P.L.S., Board Vice Chairman.

Mr. Richard Savoie, P.E. joined the Southern engineering students to distribute FE review manuals.

LAPELS board members, past and present, Miles Williams, P.E.; Richard Savoie, P.E.; and Kerry Hawkins, P.E.; join Dr. Mohammad at LSU to promote licensure.

## LAPELS BOARD MEMBER HONORED

Congratulations to Mr. Rhaoul A. Guillaume, P.E. having achieved the second-highest membership grade of Fellow with ASCE. LAPELS' is honored to have Mr. Guillaume as a board member.
