****Chapter 31. Continuing Professional Development (CPD) Requirements for Professional Engineers and Land Surveyors:**

Note: *The Board does not pre-approve courses for CPD credit*; it is the licensee's responsibility to ensure that activities meet the professional development requirements and that they are beneficial to the licensee.

CPD forms and instructions are available upon request or may be downloaded from the LAPELS website at <http://www.lapels.com/CPD.htm>

§3105. Requirements:

A. *Professional Engineers:* In each calendar year, January 1st – December 31st, professional engineers must earn a total of 15 PDHs in engineering related activities which must include 1 PDH in professional ethics. Professional engineers who design buildings and/or building systems in Louisiana must earn 4 PDHs in Life Safety Code, building codes and/or Americans with Disabilities Act Accessibility Guidelines.

B. *Professional Land Surveyors:* In each calendar year, January 1st – December 31st, professional land surveyors must earn a total of 8 PDHs in land surveying related activities, which must include 1 PDH in professional ethics and 1 PDH in the standards of practice for boundary surveys in Louisiana.

C. *Dual licensees:* In each calendar year, January 1st – December 31st, individuals who are licensed as both a professional engineer and professional land surveyor must earn a total of 15 PDHs. At least 5 of these PDHs must be earned for each profession, 1 PDH must be in professional ethics, and 1 PDH must be in the standards of practice for boundary surveys in Louisiana. Dual licensees who design buildings and/or building systems in Louisiana must earn 4 PDHs in Life Safety Code, building codes and/or Americans with Disabilities Act Accessibility Guidelines.

D. *Excess PDHs:* Licensees who exceed the annual CPD requirement may use a maximum of 7 PDHs as carryover toward the CPD requirements for the following calendar year.

E. *Calendar Day Limit:* No more than 8 PDHs can be earned in a calendar day.

§3107. Reciprocity/Out-of-Jurisdiction Resident:

A. The CPD requirements for Louisiana will be deemed as satisfied when a non-resident engineer or land surveyor provides evidence of having met the requirements of the licensee's resident jurisdiction; provided, however, that as part of satisfying these requirements, non-resident licensees must meet the professional ethics requirements of §3105.A.1 or §3105.B.1, as applicable, non-resident licensees practicing engineering in Louisiana who design buildings and/or building systems in Louisiana must meet the requirements of §3105.C.3, as applicable, and non-resident licensees practicing land surveying in Louisiana must meet the requirements of §3105.B.2.

B. If the non-resident engineer or land surveyor resides in a jurisdiction that has no CPD requirements applicable to that licensee, the licensee must meet all requirements of Louisiana as set forth in this Chapter.

License Status Definitions

Your ability to provide and/or offer to provide professional services in Louisiana and the amount of biennial licensure renewal fees depends on the status of your license.

Status	Description
Active	Individual has complied with all the licensure and licensure renewal requirements (including CPD) of the Board and may offer and/or provide professional services in Louisiana.
Inactive	Individual has chosen not to offer and/or provide professional services in Louisiana and has indicated that fact on his/her licensure renewal. Individual can represent himself/herself to the public as a <i>P.E. Inactive</i> , or a <i>P.L.S. Inactive</i> , but cannot otherwise offer and/or provide professional services in Louisiana. CPD requirements do not apply.
Retired	Individual has chosen not to offer and/or provide professional services in Louisiana and has indicated that fact on his/her licensure renewal. Individual must be at least 70 years of age <i>or</i> have been a licensee of the Board for at least 35 years. Unless individual is granted a waiver by the Board, the renewal fee is one-half of the current renewal fee for the active status. Individual can represent himself/herself to the public as a <i>P.E. Retired</i> , or a <i>P.L.S. Retired</i> , but cannot otherwise offer and/or provide professional services in Louisiana. CPD requirements do not apply.
*Retired Waiver Granted *status requires a completed renewal invoice <i>every</i> biennial renewal cycle in order to maintain this status	<p>Individual is qualified for the retired status and has been granted a waiver of the renewal fee by the Board. An individual qualified for the retired status may be granted a waiver of the renewal fee if <i>all</i> criteria below are met:</p> <ul style="list-style-type: none"> • individual is at least 70 years of age; • individual has been a licensee of the Board for at least 35 years continuously; • individual has never been subject to disciplinary action in any jurisdiction; • individual has never committed any of the offenses described in La. R.S. 37:698(A)(3), (4) or (5); <i>and</i> • individual is of good character and reputation. <p>Individual can represent himself/herself to the public as a <i>P.E. Retired</i>, or a <i>P.L.S. Retired</i>, but cannot otherwise offer and/or provide professional services in Louisiana. CPD requirements do not apply.</p>
*Expired *status requires a completed renewal invoice or letter to notify LAPELS of expiration	Individual has failed to properly renew licensure with the Board and may no longer offer and/or provide professional services in Louisiana. To reinstate his/her license, the individual must submit to the Board an <i>Application to Reinstate Expired Professional License</i> .
